

Forefather Farm: We Restored a Pennsylvania German Farmstead (Paperback)

By Patricia Whitacre

America Through Time, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The picturesque Pennsylvania German barn architectural style has spread from early settlements in eastern Pennsylvania to settlements across the Midwest. In 1987, the late J. Jackson Walter, President of the National Trust for Historic Preservation, wrote: The destruction of thousands of unique barns and farmhouses, as well as the historical landscape itself, continues today all across America. The ordinary American farmhouse, preserved in its rural setting, has much to teach about an area s past and much to give to future generations. In 1982, the author and her husband bought an abandoned farmstead, complete with seven outbuildings, in Bucks County, PA. They spent the next thirty years researching, restoring, and preserving the farm in an ambitious do-it-yourself project that earned placement on the National Register of Historic Places. This book details their adventures, reflecting the sense of humor that has sustained them through the challenges as they maintained the exterior integrity of all the buildings, and adapted the interiors to 21st century living with minimal compromise to the original structures. Their project included preserving the surrounding fifteen acres of habitat, and working for the preservation...

Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

-- **Alec Veum**

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
