HOMEOKINETICS: THE BASICS (PAPERBACK)

Strong Voices Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Homeokinetics is the study of complex systems--systems such as universes, galaxies, or planetary subsystems, or even social systems. A complex system is one where there is a tremendous amount of internal exchange by the actors. The physics of complex systems is played out on the basis of trying to understand what these complex internal agents are doing. Normal physics deals with processes...
