Soho Press Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. This rediscovered masterpiece captures a chilling moment in the stifling early days of Communist Czechoslovakia. 1950s Prague is a city of numerous daily terrors, of political tyranny, corruption and surveillance. There is no way of knowing whether one s neighbor is spying for the government, or what one s supposed friend will say to a State Security agent under pressure. A loyal Party member might be imprisoned or executed as quickly as a traitor; innocence means nothing for a person caught in a government trap. When a little boy is murdered at the cinema, the ensuing investigation sheds a little too much light on the personal lives of the cinema s female ushers, each of whom is hiding a dark secret of her own.
