Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROTTEN PEACHES (THE THELONIOUS T. BEAR CHRONICLES)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Animal Dwarf Bandits with Tommy Guns are on a crime spree in Georgia! Dillinger-style bank heists are being committed by a dangerous gang of little people wearing animal masks. Enter ursine photojournalist Thelonious T. Bear. Still smarting from his misadventures in Norfolk, he's eager to begin his assignment in the American South. However, Thelonious soon learns that the South isn't all fried chicken and sweet tea. In between encounters with a trigger-happy farmer and a fire-and-brimstone preacher with a snake, he's stalked by a man in a red pickup truck and nearly bear-napped by a family of hillbillies. Thelonious's resemblance to one of the bank bandits puts him on the radar of Sheriff Maynard Grizzle and budding reporter Nate Jessop, both of whom are convinced he's in the gang. As the robberies gain more media attention, locals smell fame in the air. Suddenly everyone wants in on the action. And Thelonious finds himself at the heart of yet another series of crimes! From bestselling author Mitzi Szereto, co-authored with her celebrity sidekick bear Teddy Tedaloo. Be sure to read Normal for Norfolk (The Thelonious T. Bear Chronicles), the first in the series!.
