ABC-CLIO Ltd, United Kingdom, 2001. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This nonsensationalist encyclopedia examines contemporary images of the devil and sorts out the many different forms these images take. Although much of the myths relating to Satan derive directly or indirectly from the Christian tradition, the key sources of diabolical images today are horror movies, heavy metal music, and conservative Christian literature. This encyclopedia gives a brief overview depicting the history and transformation of the meaning of the Prince of Darkness, and 300 entries cover subjects like the angel of death, backward masking (messages revealed when songs are played backward), neopagan witchcraft, UFOs, and The Satanic Bible. Extensive appendixes include the 1992 FBI study of satanic ritual abuse, the most influential document ever written on the subject, as well as sample satanic scriptures and a satanic wedding ceremony. Satanism Today also includes a chronology, bibliographies, and references.
