

The Slingshot Syndrome Why Americas Leading Technology Firms Fail at Innovation

Filesize: 7.37 MB

Reviews

A top quality ebook and also the font employed was interesting to read. This is for those who statte there was not a worth studying. Your life span will probably be enhance when you total looking at this ebook.
(Billy Christiansen)

THE SLINGSHOT SYNDROME WHY AMERICAS LEADING TECHNOLOGY FIRMS FAIL AT INNOVATION

[DOWNLOAD](#)

iUniverse. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 8.9in. x 6.4in. x 0.5in. One of the best descriptions and explanations I have read of the failure of large U. S. corporations to develop and exploit new products and services. I particularly liked the description of the failure of the development of the communications industry within the typical corporate structure and the analogy of the history of the U. S. product development to the movie industry. I also agree that distribution and management of services can probably only be efficiently performed through large corporations, a direction that appears to be in the process of being taken by companies originally noted for technological development as illustrated. The recommendation that new products can best be incubated in small independent entrepreneurial startups is intriguing. DeWitt Bowman, Chief Investment Officer (retired), California Public Employees Retirement System (CalPERS) This is excellent! I think Reid has it all figured out. The Slingshot Syndrome is easy to read, very clear and to-the-point. Revolutionary ideas presented clearly, strongly and simply. A Real winner in my opinion! Terry McPherson, Intellectual Property and Technology Management Director (retired), Lucent Technologies. I'll be among the first purchasers for a dozen or more copies! Susan Gauff, Senior Vice President, Sarnoff Corporation This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
