Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Even though my brother and I had decided to stay away from the magic mirror, our puppy had other plans -- he bounded right in. What choice did we have but to go in after him? When we land in a winter wonderland, we realize we must be in the story of The Snow Queen. And this fairy tale is nothing like the movie. This Snow Queen is super-mean, and she turns our dog into an ice sculpture! To get home we ll have to: - Defrost our furry friend - Ride a very chatty reindeer - Learn to ice-skate - Escape from a band of robbers And if we re not careful . . . we could end up frozen ourselves!.
