IMAGERY FROM BEYOND: A MESSAGES FROM BEYOND COLORING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

40 Abstract Designs + 10 Bonus Pages. Abstract Art with Tangled Borders The drawings featured in our Messages From Beyond(R) Coloring Book series are all hand-drawn originals created specifically to help you get in touch with your innate intuitive ability. The abstract designs will allow your imagination and creativity to flow. We call our series Imagery From Beyond(TM) because Art by Ali(TM) is a unique style of drawing that seems to flow from Alice's pens as she creates each page. To some people, this is just a coloring book-a fun way to relieve stress and relax after a hectic day. To many others, this may become a meditation tool to promote healing as well as to facilitate communication with loved ones who are sending you messages. As you flip through the pages, you may be drawn to a specific image. That is the place to start. The designs and even the colors you select will hold a special meaning for you. Each design magically comes to life as color is applied, and depending on the colorist's view and direction the page is turned, the images can be quite different. Let your imagination and creativity soar as you color and create your own images within these pages. There is no right or wrong way to view the page-you may turn the book any way you desire--great for left-handed colorists, too. The possibilities are endless-many people color the same design more than once, each time coming up with different patterns, images, and emotions. Use 1, 2, or many colors to bring the designs to life. You will begin to see various images while creating a piece of art that speaks directly to you....
