Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Moses is a lonely fifty-one-year-old hospital orderly, wasting his genius in an urban hospital. He gave up long ago on his hopes and dreams, and now walks the long corridors as he deals with doctors from hell, cynical nurses and annoying patients. Tonight, one bizarre graveyard shift changes that forever. After he loses (literally) a patient s leg and saves the life of another, he gets a single opportunity to restart his life. Confessing his secret love to a worn-out nurse who was once Miss Congeniality, seems like a good place to start.
