# Printing Things

By C. Warnier

Gestalten Apr 2014, 2014. Buch. Book Condition: Neu. 287x140x30 mm. Neuware - An inspirational and understandable exploration of the creative potential of 3D printing that introduces outstanding projects, key experts, and the newest technologies. Designers, trendscouts, scientists, and companies all agree - the golden age of 3D printing has now begun. In all likelihood, this development represents the largest technical upheaval in manufacturing since the invention of the lathe. 3Dprinting results in complex three-dimensional objects that are built in layers out of liquids or powder. Given current advancements, 3Dprinters will soon be found in more and more workshops, offices, and homes. With them, we will be able to print out jewelry, small pieces of furniture, prototypes, replacement parts, or even food at any time. In the near future, if we forget our toothbrush on a trip, we can simply print out a new one in our hotel room. As these production processes become reality, completely new visual languages and business models must develop along with them. Forms and constructions that were previously impossible to achieve with traditional methods can already be printed out. Printing Things offers both professionals and interested laypersons an introduction into the paradigm-shifting topic of 3Dprinting. The...
