Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Burnice Cronin)

SIMON SCHUSTER, United States, 2014. Paperback. Condition: New. Reprint ed.. Language: English . Brand New Book. Has Lily bitten off more than she can bake? A sweet treat from the author of It s Raining Cupcakes and Sprinkles and Secrets. On a scale of zero to ten, twelve-year-old Lily Hubbard is a zero when it comes to baking. Her cookies turn out salty, her cakes tend to collapse, and things are always overcooked. When Lily is invited to be a part of a mother-daughter book club called The Baking Bookworms, she is excited--and terrified. It seems like she s the only one who didn t inherit the baking gene. But she does have the music gene, which is why she s forming a band that will audition for their school s annual Spring Fling. If, that is, Lily can balance her priorities. Because Isabel, one of the Baking Bookworms, has asked Lily to help plan a surprise party for their mutual friend Sophie. Lily s task? To make a show-stopping, mouth-watering dessert. Uh. Oh. Can Lily rise to the occasion? Or will her efforts crumble faster than a stale birthday cake?.
