IT Governance Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An essential guide to OHSAS 18001 We say take care as we wave our loved ones goodbye in the morning, but how often is this message taken into the workplace? In this easy-to-understand and timely pocket guide, Naeem Sadiq, examines the Understanda as it gears up to meet OHSAS 18001 standards of occupational health and safety. Real-world scenarios Using a wide variety of fictional real world scenarios, Sadiq demonstrates the hazards that might be present in a workplace, how to assess risk, how to manage OHSAS 18001 implementation and how to communicate its implementation through all levels of management. Sadiq takes the complex, and often impenetrable, concepts that surround health and safety and presents them with absolute precision and clarity. A sound understanding of OHSAS 18001 OHSAS 18001: Step by Step is more than a primer. Besides giving the reader a sound understanding of OHSAS 18001, the pocket guide can be used as a step-by-step instructional manual for anyone tasked with implementing operational health and safety standards in the workplace. This pocket guide gives its readers: *A comprehensive explanation of OHSAS 18001 and its implications *An understanding of how OHSAS 18001 can be implemented through the PDCI (Plan-Do-Check-Improve) management principle *A how-to guide for establishing an Occupational Health and Safety (OHS) Policy *A how-to guide for identifying risks and controls within the organisation *An understanding of the law; the legislative and contractual OHS requirements to which an organisation subscribes *An explanation of how OHS objectives can be determined and established, and how to apportion responsibility and accountability throughout the organisation *Clear understanding of OHS accountability and the need for diligent record-keeping *A how-to guide for setting up a training, competence...
