## China-India Relations: Tensions Persist Despite Growing Cooperation

By U S -China Economic and Security Review

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Despite growing bilateral cooperation between China and India, sources of tension in the relationship remain and in some cases are becoming more pronounced. In the security realm, continued occurrences of Chinese soldiers crossing into disputed areas of the China-India border and China s growing presence in the Indian Ocean are sources of friction in China-India relations. In the economic realm, India has a large trade imbalance with China, due to the distortionary effects of China s economic policy, Chinese competitiveness in export-oriented industries, and India s economic and institutional problems. Meanwhile, the 2012-2013 leadership transition in China and the 2014 election of Prime Minister Narendra Modi in India have increased potential for bilateral cooperation. The two countries seek to work together on a growing number of issues, including stability in Afghanistan and climate change. In addition, during Chinese President Xi Jinping s visit to India in September 2014, China pledged to invest in Indian industrial parks and high-speed rail infrastructure. China and India also are collaborating in multilateral forums and institutions, such as the summits of Brazil, Russia,...
