BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Rhythms of Grace: Finding Intimacy with God in a Busy Life (2nd Revised edition), Tony Horsfall, Rhythms of Grace emerges from a personal exploration of contemplative spirituality. Coming from an evangelical and charismatic background, Tony Horsfall felt an increasing desire to know God more deeply. At the same time, he felt an increasing dissatisfaction with his own spiritual life, as well as concern at the number of highly qualified and gifted people involved in Christian ministry who experience burn-out. In this book he shows how contemplative spirituality, with its emphasis on realising our identity as God's beloved children and on being rather than doing, has vital lessons for us about discovering intimacy with God. It also provides essential insights about building a ministry that is both enjoyable and sustainable.
