Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One day at Nampa, which is in Idaho, a ruddy old massive jovial man stood by the Silver City stage, patting his beard with his left hand, and with his right the shoulder of a boy who stood beside him. He had come with the boy on the branch train from Boise, because he was a careful German and liked to say everything twice-twice at least when it was a matter of business. This was a matter of very particular business, and the German had repeated himself for nineteen miles. Presently the east-bound on the main line would arrive from Portland; then the Silver City stage would take the boy south on his new mission, and the man would journey by the branch train back to Boise. From Boise no one could say where he might not go, west or east. He was a great and pervasive cattle man in Oregon, California, and other places. Vogel and Lex-even to-day you may hear the two ranch partners spoken of. So the veteran Vogel was now once more going over his notions and commands to his youthful deputy during the last precious minutes until the east-bound should arrive. Und if only you haf someding like dis, said the old man, as he tapped his beard and patted the boy, it would be five hoondert more dollars salary in your liddle pants.
