Abbott Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If every Christian knew who they were as a child of God, if they knew their identity in Christ and how valuable they are just because they are His, and if all this went beyond head knowledge and into heart knowledge, just imagine the power in that understanding. Broken relationships could be mended, and families could work out their differences. Individuals held captive by their insecurities would experience freedom in their lives. I ll Love You Anyway, by author Lori Davis, seeks to help Christians experience the freedom of forgiving and letting go of the past. You can break down the walls of protection and be free to give and receive love the way God intended. You can learn to extend unconditional grace and love to others. Davis explains how to recognize that the people who hurt us may have also been hurt in life and that they too may be living with walls of protection around their hearts. If we can integrate the truth of who God says we are within our daily lives, we can come to experience a deeper relationship with the Lord. Lori writes this book from the inside looking out. She lived this book and has a vantage point few are ever willing to talk about. Walk in her steps as you read and learn how to overcome anger, pain, and disappointment. -Pastor John Hunn, Immanuel Baptist Church.
