INVISIBLE ACTS OF POWER (PAPERBACK)

SIMON SCHUSTER, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. For more than two decades, internationally renowned pioneer in energy medicine Caroline Myss has been studying how people use their personal power. Through her special brand of spiritual insight and intuition, her popular workshops, and her bestselling books, Myss has helped hundreds of thousands of people meet the lifelong challenge of managing their spiritual energy and improving their lives. Now, in this inspiring new book, Myss expands her message about power in an entirely new spiritual direction. With characteristic originality, she explains how we become channels for divine grace and a conduit for miracles through kind, compassionate, generous actions, or, as she calls them, invisible acts of power. When we act compassionately, without a private agenda or expectation of credit or reward, God works invisibly, anonymously through us. And as we move from visible acts, such as giving a friend a helping hand, to invisible acts, such as prayer and healing, we undergo a profound journey of personal empowerment. The myriad simple but profound ways that people connect to create small miracles, gain a greater sense of spirituality, and transform their own -- and others -- lives in an instant will inspire you to your own invisible acts of power and attract them to you.
