Gunther, F.R.S., formerly Keeper of the Department of Zoology. It is a valuable record of the development of the zoological section of the British Museum from the year 1856 to the year 1895, when Dr. Gunther retired from the service of the Trustees. Before 1856 the zoological section had been, for the purposes of administration, the zoological Branch of the Natural History Department of the British Museum. The Index has been made by Mr. G. J. Arrow, Assistant in the Department of Zoology. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
