Nerdist, 2016. Paperback. Condition: New. Language: English . Brand New Book. What would I do if my favorite fantasy world came to life? It s a question every nerd has asked him or herself, and Dave Barrett answers it in a tremendously fun, well-written story of swords, sorcery, and survival. -- Dan Casey, Senior Editor of Nerdist In Book One of the Fun and Games series, when Allison s best friend, TJ, convinces her to come along for an epic game of LARP (live-action roleplaying), she reluctantly agrees despite her reservations about the geeky pastime. TJ s weekends are filled with powerful wizardry, mystical creatures, and intense battles with his LARP group. Each adventure is full of surprises, but the goal is always the same--to defeat the monsters and find the treasure. Not long after their quest begins, the friends discover that something has gone wrong. The fantasy world they ve built has transformed, and the battle they re in the midst of is no longer make-believe. Now they must fight for survival against brigands, kobolds, and other deadly mythical creatures that come to life. Fortunately, the group s once-fictional magical powers have also become real--including Allison s newly acquired gifts as a healer. They ll need everything in their arsenal if they hope to make it home alive.
