Barakas stories evoke a mood of revolutionary disorder, conjuring an alternative universe in which a dangerous African-American underground, or a dangerous literary underground still exists . . . Baraka is at his best as a lyrical prophet of despair who transfigures his contentious racial and political views into a transcendent, outtelligent clarity. The New York Times Book Review, Editors Choice These artful and nuanced stories fall into two parts: the first nine concern themselves with the sensibility of a hip, perceptive young black man in white America. The last seven stories endeavor to place that same man within the context of his awareness of and participation in a rapidly emerging and powerfully felt Negritude. They deal, it might be said, with the black man in black America. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
