

The Voice in the Wood: Selected Poetry (Paperback)

Filesize: 4.11 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

THE VOICE IN THE WOOD: SELECTED POETRY (PAPERBACK)

Createspace Independent Publishing Platform, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

The easiest part of putting together a collection of poetry is deciding what not to include. I wonder if all poets are humbled by the bulk of their efforts and the mediocrity of so much of it. Of course a declaration such as this opens the door to criticism as the implication is that these poems represent my best work. Indeed I have tried to revise and improve on the older poems and I feel I have done my best. But the critic would be missing the main point. Basically, these are just poems that I like, it's that simple. I harbor no delusions of being the next great American poet. What follows are poems mainly written while I was between the ages of twenty and thirty. As such, I could excuse some of them as products of the excessive emotion of youth. I could, but I will not since advancing age has chosen not to spare me those same excesses. The more recent work, I would hope, contains the same naive passion as the poems from my youth.
