

Lions, Donkeys And Dinosaurs: Waste and Blundering in the Military (Paperback)

By Lewis Page

Cornerstone, United Kingdom, 2007. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. In this irreverent and provocative book, Lewis Page exposes the scandalous state of our armed forces: how British soldiers are sent off to war with some of the worst guns around, how the MOD keeps financing useless toys (at huge expense to taxpayers), and how decisions seem to be made with an eye, above all, for the interests of British Aerospace. He shows how politicians and the top brass are hopelessly entrenched in yesterday's wars and pouring their talents and energies into making sure that money is wasted right, left and centre.

Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

-- **Rusty Hamill Sr.**

This publication is wonderful. I actually have go through and i am sure that i am going to going to study once more once more down the road. I am easily could get a enjoyment of studying a written book.

-- **Mozelle Halvorson**
