Several rare images of letters, handwritten notes, Hemingway, F. Scott, etc. 168 pages. Out-of-print. "In this valuable book. . . neither one of the author's subjects emerges triumphantly or unscathed. Scott and Ernest is a judicious book mainly because its author is perhaps the first student of the Fitzgerald/Hemingway friendship to write out of disinterested loyalty to the truth about two literary giants he continues to admire unabashedly, no matter how the facts have fallen out." - New Republic 'Brucoli examines the friendship of F. Scott Fitzgerald and Ernest Hemingway, which began with Fitzgerald's recommendation of Hemingway's writing to Maxwell Perkins of Scribners and ended at Fitzgerald's death. Brucoli 'has drawn on the 28 letters that Scott wrote his friend. He paraphrases Ernest's 26 surviving letters to Scott'. Also included are jottings from Scott's notebooks, his chronology of their meetings from 1925-37, and comment by Perkins, Morley Callaghan, and others!' - Choice "Both men did of course dramatize themselves endlessly. They loved, as Brucoli reminds us, 'to act out their own mythologies. One played the ruined genius, the other played the titan.' Brucoli sorts out the play-acting for us. Both Scott and Ernest cared passionately for their profession. Because they also cared about each other, each had a keen awareness of the other's talents and shortcomings, praising the former and seeking to correct the latter. It is this kind of technical comment rather than the 'trying to walk over each other with cleats on' (in Scott's phrase) that makes Brucoli's latest contribution so useful and so welcome to all who care about..
