

## The Social Animal: The Hidden Sources of Love, Character, and Achievement

Filesize: 7.31 MB

### **Reviews**

*Thorough information! Its this sort of good read. It is actually written in straightforward words rather than confusing. I am just delighted to let you know that this is basically the best book we have read within my personal existence and can be the greatest pdf for actually.*  
*(Dr. Henri Crona II)*

## THE SOCIAL ANIMAL: THE HIDDEN SOURCES OF LOVE, CHARACTER, AND ACHIEVEMENT

Random House USA Inc, United States, 2011. CD-Audio. Book Condition: New. Unabridged. 150 x 130 mm. Language: English . Brand New. With unequalled insight and brio, David Brooks, the New York Times columnist and bestselling author of *Bobos in Paradise*, has long explored and explained the way we live. Now, with the intellectual curiosity and emotional wisdom that make his columns among the most read in the nation, Brooks turns to the building blocks of human flourishing in a multilayered, profoundly illuminating work grounded in everyday life. This is the story of how success happens. It is told through the lives of one composite American couple, Harold and Erica--how they grow, push forward, are pulled back, fail, and succeed. Distilling a vast array of information into these two vividly realized characters, Brooks illustrates a fundamental new understanding of human nature. A scientific revolution has occurred--we have learned more about the human brain in the last thirty years than we had in the previous three thousand. The unconscious mind, it turns out, is most of the mind--not a dark, vestigial place but a creative and enchanted one, where most of the brain's work gets done. This is the realm of emotions, intuitions, biases, longings, genetic predispositions, personality traits, and social norms: the realm where character is formed and where our most important life decisions are made. The natural habitat of *The Social Animal*. Drawing on a wealth of current research from numerous disciplines, Brooks takes Harold and Erica from infancy to school; from the odyssey years that have come to define young adulthood to the high walls of poverty; from the nature of attachment, love, and commitment, to the nature of effective leadership. He reveals the deeply social aspect of our very minds and exposes the bias in modern culture...
