

The War That Never Ends: New Perspectives on the Vietnam War

Filesize: 1.7 MB

Reviews

A brand new e book with a new perspective. I could comprehend every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.
(Clemmie Rolfson)

THE WAR THAT NEVER ENDS: NEW PERSPECTIVES ON THE VIETNAM WAR

The University Press of Kentucky, United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 150 mm. Language: English . Brand New Book. More than three decades after the final withdrawal of American troops from Southeast Asia, the legacy of the Vietnam War continues to influence political, military, and cultural discourse. Journalists, politicians, scholars, pundits, and others have used the conflict to analyze each of America s subsequent military engagements. Many Americans have observed that Vietnam-era terms such as cut and run, quagmire, and hearts and minds are ubiquitous once again as comparisons between U.S. involvement in Iraq and in Vietnam seem increasingly appropriate. Because of its persistent significance, the Vietnam War era continues to inspire vibrant historical inquiry. The eminent scholars featured in *The War That Never Ends* offer fresh and insightful perspectives on the continuing relevance of the Vietnam War, from the homefront to humping in the boonies, and from the great halls of political authority to the gritty hotbeds of oppositional activism. The contributors assert that the Vietnam War is central to understanding the politics of the Cold War, the social movements of the late twentieth century, the lasting effects of colonialism, the current direction of American foreign policy, and the ongoing economic development in Southeast Asia. The seventeen essays break new ground on questions relating to gender, religion, ideology, strategy, and public opinion, and the book gives equal emphasis to Vietnamese and American perspectives on the grueling conflict. The contributors examine such phenomena as the role of women in revolutionary organizations, the peace movements inspired by Buddhism, and Ho Chi Minh s successful adaptation of Marxism to local cultures. *The War That Never Ends* explores both the antiwar movement and the experiences of infantrymen on the front lines of battle, as well as the media s controversial...
