

Democratization and Women's Grassroots Movements

By Jill M. Bystydzienski and Joti Sekhon (eds)

Zubaan, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The Fall of communist regimes in Eastern Europe and of dictatorships in Latin America brought new attention to democratic movements worldwide. Most interest focused on national activities, electoral politics and the expansion of capitalist markets, and though much has been written about social movements, the connections between womens grassroots organizations and democratization have been neglected. This book explores how these movements contribute to the expansion of public and private spaces and democratic processes. The sixteen case studies highlight womens grassroots movements in India, Hong Kong, Singapore, Eritrea, South Africa, Syria, Egypt, El Salvador, Honduras, Poland, Russia, Belgium, Ireland, Canada, the United States (Appalachia), and Australia. They reveal the connections between local political and social action and the growth of democratic processes at state, regional and global levels. The book illustrates how community-based actions, programmes and organizaions that empower women contribute to the creation of a civil society and thus enhance democracy.
