

Learn to Count at Bee Bee s Circus: Preschool Book, Ages 3 - 5, Children s Book for Bedtime and Young Readers (Paperback)

By Jackie Reynolds

Dimpled Hippo, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. -This little book packs a powerful punch of entertainment and education!- - V. Kirkfield -I love the added bonus, teaching children to count to ten in English, Spanish, and Japanese. As a retired early childhood teacher and preschool director, I highly recommend this book!- - Rhonda Nunez -If you re going to get a counting book, get this one.- - J. Dalton Learn to Count at Bee Bee s Circus features Math Concepts for pre-K, kindergarten early elementary. Kids will enjoy the ponies, puppies, pigs, cows, roosters and goats as they learn to count at Bee Bee s Circus. Beginning readers will also like the colors and shapes. You ll love that they are learning numbers and developing -One-to-One- correspondence, visual tracking and pattern recognition skills. Who knew learning could be so much fun? -This is truly a fun book. Colorful, delightful drawing and perfect rhyming text made me feel like I was, indeed, at the circus! My granddaughter was delighted!- - J. Miller -The book s strength is the way it conveys the experience of learning wrapped in a sense...

Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.
