Mythical Legends Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The year is 2163. After the fracturing, there was war. After the war came the all-powerful League, subsuming all interdimensional trade, commerce, and travel under its aegis with the I-Link Network, now a ubiquitous presence in the lives of humans and off-planers. Its paramilitary contingent was known as enforcers. Kate Barnes is one enforcer out of many, a face among the faceless, her life careening towards a reunification with her past, sowing the seeds of unexpected change in this eclectic world. A Night at Pink s Kate Barnes, enforcer for the multi-universe spanning League, enjoys the company of her closest friend, Jackie, a cybernetic techie for I-Link security. But through seemingly inane conversation, she discovers something more insidious about her friend. Reunions Alicia Barnes, Kate s estranged sister, lives her life on the edge with drugs and I-Link shenanigans, her glory days as the frontwoman for the transdimensional rock sensation Ambush a distant memory -until her stunts access the wrong bit of data. But will the results kill her before the drugs do? Or will they begin a new life for her? Psyche It is a routine systems check for the cybernetics of Kate s symbiotic uniform, and then an investigation call that turns out to be anything but routine, especially with Mukai, her off-planer friend and colleague, leading them into a crossroads that may be more than they believe, and one may not survive. Melody Alicia, reunited with both her sister and Kumai, the former manager of her band after a heartbreaking absence, makes a discovery about herself and the off-planer that has attached herself so deeply into her life, turning both their worlds upside-down in a way that neither one...
