

Health-Care Reform: A Surgeon s Perspective

Filesize: 8.54 MB

Reviews

The ebook is fantastic and great. I am quite late in start reading this one, but better then never. I am just pleased to inform you that this is the greatest book i have got study inside my personal daily life and could be he best pdf for at any time.

(Miss Shany Tillman)

HEALTH-CARE REFORM: A SURGEON S PERSPECTIVE

[DOWNLOAD](#)

iUniverse, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this study, Dr. Ashraf A. Hilmy, with a surgeon s objective, no-nonsense precision and an unabashed lack of political correctness, dissects the current state of health-care delivery in America. In practice since 1979, he is board certified in surgery, anesthesiology, critical-care medicine, and health-care administration. He received an MBA from the University of Texas, Pan Am with an emphasis on health-care administration. He has served as both chief of surgery and staff at several institutions and has practiced in every scale of facility-solo, partnership, and group practice. Dr. Hilmy is uniquely qualified to render an informed opinion about health care in the United States. In his professional judgment, there is no question that the current system is faltering and in need of radical reform. No other country in the world spends so much on health care and has so little to show for it. Written with the layperson in mind, Health-Care Reform offers insightful, well-researched, supported arguments. Though it does not set out to offend anyone, people will be offended-as a portion of the drivers of escalating health-care costs are laid squarely on their shoulders. Health-Care Reform addresses how health care is delivered in America. By comparing our delivery system to those used around the world, Dr. Hilmy breaks down different cost drivers with anonymous case examples, and finally, offers suggestions for realistic reform.
