A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Today s Christians are being challenged by a broad sweep of teachings and philosophies. With them have come leaders whose charisma often draws people into a brand of Christianity which may not truly reflect what is taught in the Scriptures. This book goes back to basics and asks questions about what God really wants to do in and through the lives of Christian believers. It seeks to lay a foundation which will help believers discover the Church which Christ is really building among all the variations and colours of Churches which claim to be his. Fundamentally, this book challenges believers to examine whether they are in the faith which Christ taught, which he continues to teach and support by the Holy Spirit, and which he will complete in the individual and in his Church (2 Corinthians 13:5; Colossians 1:21-23; Philippians 1:6; Hebrews 12:1-29).
