STORMING HEAVEN LSD AND THE AMERICAN DREAM

DOWNLOAD

Grove Press. Paperback. Condition: New. 416 pages. Dimensions: 8.8in. x 6.0in. x 1.0in. Storming Heaven is a riveting history of LSD and its influence on American culture. Jay Stevens uses the curious molecule known as LSD as a kind of tracer bullet, illuminating one of postwar Americas most improbable shadow-histories. His prodigiously researched narrative moves from Aldous Huxleys earnest attempts to open the doors of perception to Timothy Learys surreal experiments at Millbrook; from the CIAs purchase of millions of doses to the thousands of flower children who turned on and burned out in Haight-Ashbury. Along the way, this brilliant, novelistic work of cultural history unites such figures as Allen Ginsberg, Cary Grant, G. Gordon Liddy, and Charles Manson. Storming Heaven irrefutably demonstrates LSDs pivotal role in the countercultural upheavals that shook America in the 1960s and changed the country forever. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
