The Upside of Christianity: Or.Christianity Is for Normal People Too (Paperback)

By Patricia A Tauchert

Patricia A. Tauchert, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Christianity isn t the church. Christianity isn t about religion. Christianity isn t just about how you treat other people. Originally the word Christian referred to a few radicals who insisted that God had walked on the Earth in the form of the man, Jesus--and that the religious establishment was holding out on people. Religious leaders talked about rules. Jesus talked about love. Religious leaders talked about hierarchy. Jesus talked about equality. Religious leaders talked about structure and respect for authority. Jesus talked about the power to change the world for the better--one life at a time. Religious leaders focused on the negative. Jesus talked about a new world with no limits. Religious leaders are still holding out on people. Religious leaders are still talking about rules, and hierarchy, and structure and respect for authority. Religious leaders still spend their time on the negatives. Many believe that the church is a place to turn to when you are sick, sad or suffering. Boring at best if you are healthy, happy and reasonably competent. But Jesus is still offering power to...

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Jeanette Kreiger**

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehended almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
