Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I love Numerology. Forty years of practical study and reading charts, has continued to heighten my passion for numbers. I have given countless life readings, and I see its truth in action on a daily basis. Many clients have reported back to me that the charts I did for their babies have proved accurate 20 years later. Their comments remind me what a handy tool Numerology can be in understanding a new baby s characteristics. Each beautiful new baby is unique and perfect. Bringing so much love into our hearts, knowing about their numbers will only heighten our parenting experience. Dee Gibson. Easy Baby Numerology (Kindle Locations 44-50).
