Brand New Book ***** Print on Demand *****.This book was about my experiences working for Target Department Store from the summer of 2007 toward the Thanksgiving holidays. The manuscripts views how I interacted with fellow employees, at the same times, trying my best to assist the customers, whatever ways considered possible. That s tensed situations, between me, former supervisor, plus fellow employees. In any working environment, needed to solved conflicts, coming to terms, achieving mutual comprised. Some customers were pretty rude and cruel. Liked most persons, living in any major cities within the NYC area, wanted to get their stuffs and leaved.This world, not heaven, we lived not in a perfect environment. Any retailed department chain store, the old saying the customer is always right. I ll said the Target at Hicksville was one of the better store to work in. You had some people willing to commute two hours from another borough to the Hicksville Target, Long Island.The five to six months, being employed with Target, the best experiences I ever had. In any commercial, business, needed to be accurate and speed, vital functions. Accurate, must come first before speed. Never let errors brother you. Any business, always learned from your mistakes.Overall, my working experiences in Target, the most enjoyable moments, with follow co-workers, usually take great pride, when helping a customer found a particular items. I ll always remembered the team members, peoples, my supervisors and managers in my heart.
