Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Grove/Atlantic, United States, 2001. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. In her first book since the cultural phenomenon *Sex and the City*, Candace Bushnell triumphantly returned with the national best-seller *Four Blondes*, which *The New York Times* says "chronicles the glittering lives of semicelebrities, social aspirants, and moneyed folk . [with] withering precision." Now her collection of novellas is available in paperback -- just in time to pack in your handbag for that summer weekend getaway to the Hamptons or that romantic rendezvous on Martha's Vineyard. *Four Blondes* tells the stories of four women facing up to the limitations of their rapidly approaching middle age in an era that worships youth. From the former "It-girl" heroine of "Nice N Easy," who each summer looks for a rich man who'll provide her with a house in the Hamptons, to the writer-narrator of "Single Process," who goes to London on a hunt for love and a good magazine story, Bushnell brings to life contemporary women in search of something more -- when the world is pushing for them to settle for less. Sexy, funny, and wonderfully lush with gossip and scandal, *Four Blondes* will keep you turning pages long into the night.
