Brand New Book ***** Print on Demand *****.Too many new born Christians are left alone to find their way in Christ in this world. What an eternal tragedy that is! New converts who have been born again are just babies in Christ and need spiritual nourishment just like new born babies need physical nourishment from their mothers. Your author senses a great burden of responsibility to guide new born Christians to spiritual maturity. This book is written to communicate God s plan to new born Christians for their spiritual growth and maturity in God s Kingdom. They are encouraged to study God s Word, to understand how to live in His wonderful Grace, to live a blessed life in our Lord Jesus and enjoy peace, joy and contentment beyond comprehension.
