She thought the knowing the clairvoyance that allowed her to witness crimes as they happened had been destroyed in the nightmare of her past. Then one night it returned with a vengeance, and she desperately needed to find someone to make it stop. Detective Dane Hollister of the Orlando police department had never met anyone like Marlie. He had doubts about her clairvoyance, but there was no doubt how much he desired her. Her soft, sweet scent set his blood afire, and he wanted to wrap her in his arms and chase the sadness from her eyes. To Marlie, Dane was all heat and hard muscle, and he made her body come alive as it never had before. But not even she could foresee where their passion would lead: a hungry quest for the elusive, dreamy ecstasies of love.and a dangerous journey into the twisted mind of a madman who would threaten their happiness and their lives.
