A Faithgirlz Guide to Life By middle school, a lot of new, sometimes strange, things start to happen, and it can be overwhelming. You have new responsibilities, new opportunities, and a whole new set of problems, and sometimes it can feel like no one but you can understand what it's like to be you. Well, you're not alone. This one-year devotional is filled with stories about girls who feel just like you, and who are going through things like embarrassing moments in front of friends, putting up with mean girls at school, having a huge crush on that cute boy, or just dealing with what it's like to become a young woman. As you read their stories each week, and fill in questions about how you think each girl should react, you'll learn new ways to deal with the pressures around you. Through prayer and journal exercises, you'll also discover there is someone out there who knows exactly how you feel. And he's more than ready to listen.
