By Vaughn Robinson

Blootoad, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. But then these are the things you will never hear from other crewmembers, because they are all too busy telling you of their sexual exploits and drinking alcohol by the bucket load. Find out what it is really like for many crewmembers working aboard cruise ships from the perspective of someone who told his ex-wife, he would rather be covered in honey and left...
