Stimmen Aus Deutschland (Classic Reprint) (Paperback)

By Ernest R Dodge

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Stimmen Aus Deutschland In order to accomplish its mission, a textbook of this type cannot be merely a series of lingual exercises but must also be a key to the soul of a nation. It should not be a study of the dead past or of innocuous banalities of the present, but should bring to its reader a feeling of living contact with the nation s spirit through its representative men and women, each a leader in his or her special field. To that extent this book is a bold in novation. Naturally we cannot attempt to present a complete mirror of German life. To do this would call for an encyclopedia rather than a popular text book. This volume presents a cross-sec tion of Germany s vital activities without reference to political problems in the first third of the twentieth century preced ing the National Revolution of 19 3 3.
