Reviews

*A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.
(Elena McLaughlin)*

ALIGN IT: BUSINESS IMPACT THROUGH IT

Wiley. Paperback. Book Condition: New. Paperback. 470 pages. Dimensions: 9.1in. x 7.6in. x 1.1in. At last, here is a book that brings IT's relationship with business to life, and enables you to implement strategy rather than develop it. Richard Wyatt-Haines helps you see the true potential of IT in delivering the growth and success to which you aspire. Whilst you may have seen the chapter headings before, you won't have seen the topics approached in a manner that helps you understand the what, the why and the how, and then shows you what you have to do on the ground to deliver impact and success. In each chapter, Richard takes three different, but complementary, approaches to the topics: Touching - which links the underlying thinking with the world in which CEOs, IT managers and directors operate. Looking - which provides stories, case studies and examples to bring the topic to life. Doing - which tells you what actions you need to take. You can use all three approaches, or just follow the one that suits your own personality and learning preference best. Drawing on every ounce of his years of facilitating and speaking experience, Richard brings a passion to the topic that will inspire you to go out and do something different so that you achieve something different... and better! Align IT is accessible, the principles memorable and the lessons applicable. This book is stimulating, engaging and energizing. Before undertaking any major change in strategy or organizational structure I suggest you read it. - John Anderson, Director, Sony Europe. Richard Wyatt-Haines has written an insightful and intensely practical book illustrating just how IT strategy can be correctly aligned with Business strategy and genuinely help to deliver breakthrough performance... This book should be required reading for executive and non-executive Directors and Not...
