As every parent knows, there is nothing more stressful than being away from a child even if it s only for a few days. In this heartwarming book, Wendy Tugwood captures perfectly how the love between a mother and child copes with separation. When we re apart I miss you so, I wish I didn t have to go. I miss your face, your touch, your smell, Your silliness I know so well. I think of how you sing to me, I love you too.I love you three! On goes our love and counting game, A game that always ends the same. Needing to express how much they love each other, parent and child play the old familiar counting game. The child says I love you, the parent replies I love you too, and the child, gleefully, replies I love you three! From there they continue counting until they reach I love you ten. I Love You Too, I Love You Three will delight parents and children alike and children will not only learn their numbers, they will gain assurance that, no matter what happens, the parent s love, like the counting game, will never end.
