It is normal that at times you may have disagreements with the other members of the family since all of you have minds of your own and those minds at times don t have the same opinions. The more people there are in a family then the more opinions there will be. At times these disagreements become a breeding ground for resentment and could damage your relationship all together. These disagreements usually happen between in-laws. It could be between the parents of the wife and the husband or the parents of the husband and the wife. At times it could also be between the husband and the siblings of his wife or the wife and the siblings of her husband. Simply stated, it commonly occurs between people who are related by marriage.
