Laurel Hayes, Homicide Detective from Los Angeles What the hell was she doing in Red Rock, Montana? Trying to convince her sister Elizabeth it wasn't normal for a husband to beat the shit out of her until bruises and welts formed, she decides to take matters into her own hands and lay the man out flat in the middle of the local honky-tonk. What she wasn't prepared for was for devilishly handsome Kale Dunn to step into the fray. The mass of red hair and big blue eyes stopped Kale in his tracks as he watched the gorgeous woman deck one of his ranch hands. When he heard her accuse the guy of abusing his wife, he couldn't help but admire her grit. Thoughts of harboring all her fiery passion in bed, keeps him in a constant state of arousal every time he runs into her. Laurel is harboring her own wounds and he must decide whether he wants to attempt to overcome her mistrust of men and she has to decide whether she can put his past menage with Cade and Natalie behind her.
