Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Set up in the age when gadgets were yet to capture the imagination of new generation. Internet was in its inception and yet to reach backward cities in India. When teens, suffering from hormones, still had to make a guess-how birds and bees do this and do that? When life taught them more lessons and search engines taught them none. Branded unfit to succeed, Tim had his own theory of survival, even though untested. How life forced him to test his theory? How his theory fared in test of life? This, along with a lot of that, Tim discovered through his hilarious journey.
