Reviews

The book is great and fantastic. I could comprehend almost everything using this published e publication. I am just very happy to explain how here is the very best ebook i have study inside my very own existence and could be he greatest book for ever.
(Mekhi Marvin DVM)

PORTRAIT OF A STREET LIFE: DO YOU REMEMBER 1984

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Wiz is a 17 year-old Puerto Rican kid growing up on the mean streets of North Philadelphia in the summer of 1984. He and his group of friends (the HIP HIP crew) are at the forefront of the Hip Hop movement and spend their time going to Jams, Break dancing, doing Graffiti, selling drugs, smoking weed, drinking liquor, chasing girls, running from the law and speeding down the freeways playing an extremely dangerous game of Car tag. then Wiz meets Nancy, a girl who gives him a taste of what the outside world could be like, and he begins looking at life with a new set of eyes. But when deception threatens that romantic encounter, and an obnoxious kid named Brasso gets his sneakers and his pride scuffed, Wiz and the boys from the Hip! Hip! Crew, find their summer of fun suddenly becoming a summer of survival. And any hopes that Wiz had of escaping his urban prison becomes nothing more than a fleeting dream. Welcome to the year 1984. This is a book that is loosely based on my life growing up in Camden, New Jersey during the early eighties. The book is a drama that tells the coming of age tale of a group of inner-city kids surviving in an environment that to many outsiders may seem brutal. But in reality the 80 s were to me, a peaceful era. A more unified time, a time when people cared and had more consideration for their neighbor. 1984 also had an awesome sound track that is used in the book to introduce chapters. Get yourself ready to time travel to the early 80 s. I...
