Alfred Music, 1997. Paperback. Condition: New. Language: English . Brand New Book. For the many churches that do a service of Lessons and Carols every year as well as those new to the tradition, Hal Hopson presents a new edition of that beloved service all in one cover. A Festival of Lessons and Carols contains a variety of carols---some familiar, some unfamiliar---arranged in Hopson s trademark majestic style, as well as an original setting of a medieval text. The traditional nine lessons have been updated by Mr. Hopson and reflect today s important linguistic considerations, such as inclusive language, natural poetic phrasing, and clarity of thought. The service can be performed with organ alone, but the optional instrumentation offers a greater variety and color. Duration approx. 50 min.
