## TRUTH: THE LOVE SONG (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Should you always stand up for the Truth? Should you force others to do good things? Can you delay being true to yourself for a good cause? This is the third book in the Ethics Morals Laws series A. The books of the series are discussions initiators consisting of exercises, quotes, and fairy tales. Each exercise poses a question about a conflict in a simple everyday situation. The child is asked to make a moral judgment on the conflict and explain his or her position. This is an entertaining and educational series of children s books on ethical, moral, and legal issues. This series develops and stimulates child s critical thinking in a controlled environment. Moral values shouldn t be hammered into children s brains. Instead, children should be allowed and encouraged to question those values from the earliest age. These books will extend and enhance school s teaching because the modern educational system normally does not encourage independent thinking and shies away from questioning ethical, moral, and legal issues. Critical thinking is the most important tool a child must have to develop to his or her full potential, to successfully compete with others, and to leave a significant impact in the world. Critical thinking is crucial in developing strong ethical and moral values, and in defending them against the most skillful attackers on child s life s path. The central concept in this series is Truth. Normally Truth is not discussed in any educational setting beyond the most trivial dogmas: Don t lie! But Truth is probably the most charged ethical and emotional subject. People s careers and personal relationship have been destroyed since ancient times with one...
