

Concerning Hymn Tunes and Sequences (Classic Reprint) (Paperback)

By Athelstan Riley

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Concerning Hymn Tunes and Sequences AN appropriate hymn - tune releases and relieves our inmost feelings, and for this it is welcome. But often a shout or a cheer, if unanimous, will do the like, and a tune must do more. It must stimulate the emotions of which it is the vehicle; more important still, it must regulate them, otherwise it may do no good service to a congregation, but the reverse. As a safety-valve a sweet melody has its uses; but in repetition it may let o? so much steam as to send congregations away enervated instead of refreshed and invigorated. Discernment is difiicult in this matter; distinction between the fit and unfit tune is a delicate task. But it has to be attempted, and especially at this juncture when old Hymnals have disappointed many good judges, and when new Hymnals have not altogether satisfied others.
