Jack Assbanker Publications. Paperback. Book Condition: New. Paperback. 334 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. Christian author, Robert L. Kelly, trumpets the virtual horn of Gabriel in The Federal Reserve Trilogy. The 30 Trillion Heist---Scene Of The Crime and The 30 Trillion Heist---Follow The Money!, are break-through documentaries and examples of investigative journalism at its finest. In them, Mr. Kelly issues a scathing and teeth-rattling review of the secret and unauthorized actions by the Federal Reserve System, while uncovering what may be the greatest crime of all time. His meticulous work tells the story of an utterly covert operation---a secret heist by the Fed, the banks and the elite of nearly 30 Trillion from the American taxpayer, absconded without the consent of Congress, or permission of the people. Their brazen action has set the stage for the third book of the trilogy, DApocalypse Now!---The Doomsday Cycle. The 30 Trillion dollar heist and caper snatched taxpayer-backed money to surreptitiously reimburse banks and the elites, as a result of losses they experienced during the credit crisis. These books read like detective novels, revealing shocking details of the actions by the Federal Reserve, and a large number of co-conspirators. The 30 Trillion Heist asks the grave and important question everyone in Congress is afraid to know the answer to--- Did The Federal Reserve And Its Co-Conspirators Commit Treason Against The United States Of America Mr. Kellys detective work reveals exactly how the Federal Reserve and the Federal Reserve Banks (which are privately owned by the large commercial banks and their elite owners) hide their activities from the American public and the U. S. Congress, while pillaging ungodly amounts of wealth off the backs of hard-working American taxpayers. The compelling and overwhelming evidence of the elites attempt to wrest control from the governed, for...
